Foster a Horse from Indiana Horse Rescue

Without foster homes, Indiana Horse Rescue wouldn't be able to accept so many horses into our adoption program. By fostering a horse you are providing the horse with a place to live, shelter, food, water, proper medical care if needed, and just some good old TLC. You will be responsible for the actual costs in caring for the horse, however your expenses are tax deductible. Horses may be fostered from 60-90 days at a time or a longer period of time if the horse is not adopted quickly and the foster home is willing. All foster horses remain up for adoption. The foster home always has first option in adopting the fostered horse. In order to be accepted into our foster program you must become a Member of Animal Protection Coalition, Inc., complete our Adoption/Foster application, provide two personal references, a veterinary reference, and photos of the facility where the horse will be kept. Once you have been approved as a foster facility you may make an appointment to discuss your foster capabilities so that we can ensure you will provide the best home while your foster horse is waiting on a permanent home.

If you are interested in fostering a horse please contact one of our facilities and they will send you an application, or you can always find the application and reference forms online at www.indianahorserescue.com

Mission Statement:
To provide a caring, loving, positive environment to those horses that have been either neglected, abused, abandoned, or are at risk of going to slaughter. We will place these horses in a positive and loving atmosphere that benefits both the horse and the adoptive family.

Things to remember prior to fostering a horse from Indiana Horse Rescue:

- >> **In order for your fostered horse to find a forever home, potential adopters must be able to visit the horse. You will be asked to make appointments with potential adopters to show the horse and discuss the horse's abilities. If you do not want to be bothered by people coming to look at the horse, do not consider fostering.**
- >> **You will be financially responsible for the fostered horse. Please make sure that you are in a situation where your time and budget will allow this.**
- >> **Fostering a horse can be emotional, please make sure that you discuss the concept of fostering with everyone in your family and make sure that they understand that the horse will eventually be leaving.**

Membership

Please make checks payable to **Animal Protection Coalition, Inc.** Do not send cash. Membership dues are considered donations and are nonrefundable. Your membership dues go directly to care for the animals we rescue. All memberships last for one year after they are issued.
