The Indiana Horse Rescue has taken on a huge project -- 81 horribly neglected and abused horses left to die by one man. This is in addition to the all the horses that come into the rescue needing care throughout a normal year. So, please join us for a relaxing day on the trails while you help so many horses in need. Let's turn this tragedy into a success and give these horses a chance to follow in the hoof prints of the Beal Farm's Champion Princess.

*Lunch Provided*

*Door Prizes*

*Donations of money and new or gently used horse related items gladly accepted. Checks should be made payable to*
